## Downloading

Please refer to the following link on the Exclaimer website:

<https://www.exclaimer.co.uk/auto-responder/download>.

## Installing

Download the 'Auto Responder 2.1.4' installation file 'setup.exe' and run on the Mailbox Server for Exchange 2013 and above. An MSI is available from support by contacting [support@exclaimer.com](mailto:support@exclaimer.com).

## Uninstalling

Uninstall can be achieved via the 'setup.exe' or MSI for the currently installed version of 'Auto Responder' or via 'Programs and Features' in Windows Server in your operating system.

The configuration files are located in the following folder: **\\ProgramData\\Exclaimer Ltd \\Auto Responder** and will not be removed as part of the uninstall process.

The uninstall process will not lose any of your configuration or settings. However as a backup precaution you may wish to export your configuration.

## Export Steps

1. Open the Exclaimer Console.
2. Select the 'Exclaimer' node.
3. Open the 'Action' menu.
4. Select 'Export Configuration...'
5. Select a location and filename for the export.
6. Press Save.

This will export all your settings including all your templates and licensing data.

## Upgrading

Upgrading can be achieved via the 'setup.exe' which will perform an in-place upgrade.

## Fixed Issues

- End-User License Agreement in set-up wizard now uses online terms & conditions
